# **TSA Pre-Check Office Open in Corpus Christi**

## **Full Pre-Check coming to CCIA in April**

If you are interested in enrolling in the TSA Pre-Check program for expedited screening at airports in the United States, you can begin the process by visiting [tsa.gov](http://tsa.gov). On the website, you will find the necessary form to fill out. Because the process requires fingerprinting, you will need to take the form and documents to a location at SPID and Greenwood to complete the necessary steps. The business is called IdentGO and is located at 1620 SPID, Suite 175 in the South Coast Plaza Shopping Center. You can read more about the Pre-Check application process and making appointments for processing at the link below:

<http://www.tsa.gov/tsa-precheck-application-program>

While there is currently a hybrid form of Pre-Check available at CCIA, the TSA plans to implement a full Pre-Check process at the screening checkpoint in mid to late April.

If you have questions, please contact Kim Bridger, Marketing Manager at CCIA at [kimb@cctexas.com](mailto:kimb@cctexas.com).

**go to a happy place.**
