Corpus Christi International Airport invites passengers to enroll in the popular expedited screening program, January 23-25, 2018.

TSA Pre✓® is an expedited screening program that enables identified low-risk air travelers to enjoy a smart and more efficient screening experience. For TSA Pre✓® travelers, there is no need to remove shoes, 3-1-1 liquids, laptops, light outerwear or belts. Today, TSA Pre✓® has more than 450 lanes at 200+ U.S. airports.

Applying for TSA Pre✓® through this local enrollment event is easy.

- First, we encourage applicants to Pre-Enroll ahead of time by simply [clicking here](#) , choose “Pre-Enroll” then “Apply Now” and fill out steps 1 through 4.
- Once at step 4 of 4, type in your location “Corpus Christi, TX” and then be sure to choose “Corpus Christi International Airport”.
- Next, at the bottom of the screen you can select an appointment time (the first available shows, but you can use the drop down to choose a different date and/or time).

IMPORTANT! To complete the application process, you will need to bring proof of identity and U.S. citizen documentation (such as a U.S. Passport or a birth certificate and a driver’s license). If you have a valid U.S. passport, that is all you need for ID!

The application process is completed on site where we capture fingerprints for a background check and collect the \$85 application for five years of service. The fee can be paid by credit card, money order, company check, or certified/cashier’s check. **Cash and personal checks are not accepted.**

When you arrive for your appointment, please bring in your parking stub, and we will validate it for you.

Enroll in TSA Pre✓® today and begin to enjoy the expedited security screening program that helps take the stress out of travel.
