Corpus Christi International Airport will present their Airport Concession Disadvantaged Business Enterprise (ACDBE) goals for concessions at the CCIA for Fiscal years 2020 through 2022 at a Stakeholders meeting at 5:30pm on Thursday August 29, 2019 in the Administration Conference Room

Pursuant to 49 Code of Federal Regulations Part 23 we must provide opportunity for consultation with Minority, Women and Disadvantaged Businesses Owners, Community Organizations, Trade Organizations and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses and the effects of discrimination on opportunities for ACDBEs. We will, in turn, share our efforts to establish a level playing field for the participation of Disadvantaged Business owners on Airport Concession contracts.

This is the perfect time to meet and greet minority, women and disadvantage businesses owners, as well as community and trade organizations. Any prime concession looking for Disadvantage Businesses should make plans to have a representative at the event. We encourage all partner organizations, Small and Minority Business Organizations as well as Chambers of Commerce to take advantage of this wonderful opportunity to create viable partnerships.
