The Event: Corpus Christi International Airport TSA PreCheck® Local Enrollment Event with IDEMIA

Date: February 13-17, 2023

Location: Aviation Conference Room

Corpus Christi International Airport is hosting a TSA PreCheck® enrollment event in collaboration with IDEMIA, a TSA PreCheck authorized enrollment provider. Travelers will be able to enroll from February 13-17, 2023.

TSA PreCheck allows low-risk travelers to have a hassle-free experience at the airport security checkpoint. The program is open to U.S. citizens and lawful permanent residents. TSA PreCheck is a great option for travelers looking to save time during the airport security process. Enrolled members can travel with no need to remove shoes, laptops, 3-1-1 liquids, belts, or light jackets. They can also access dedicated screening lanes at over 200 participating U.S. airports nationwide.

IDEMIA offers TSA PreCheck enrollment for \$78. If approved, travelers get a five-year membership with the program.

If you are unable to make the Corpus Christi International Airport enrollment event, but are still interested in enrolling in TSA PreCheck, please complete the [application](#) and schedule an enrollment at one of IDEMIA's [550+ enrollment centers](#) throughout the U.S.

The enrollment is completed on-site where IDEMIA captures fingerprints and a digital photo for a background check. At the enrollment appointment is also when the \$78 application for five years of service is collected. The fee can be paid by credit card, money order, company check, or certified/cashier's check. **Cash and personal checks are not accepted.**

Please note that payment for net-new TSA PreCheck enrollments is only accepted at the time of the on-site appointment. Multiple companies unnecessarily charge customers to assist with scheduling appointments. We are not affiliated with them, and their fees do not apply to the enrollment fee paid at the appointment.
