

Take Flight with a CClA Field Trip!

Ever wonder what happens behind the scenes at Corpus Christi International Airport? We invite students to go beyond the terminal for an up-close look at aviation careers, safety, and technology.

The Experience (60 Minutes)

- **30-Minute Airport Tour:** Explore the terminal and learn how we keep South Texas moving.
- **30-Minute ARFF Presentation:** Meet our Aircraft Rescue and Firefighting (ARFF) heroes and see our specialized firefighting trucks in action.
- **Exclusive Small-Group Add-on:** For groups of 40 or fewer, your trip can include a special session with Splendid Aviation. Students will hear from a pilot, tour a small training aircraft, and view private planes!

- **Availability:** Monday – Friday, 8:00 a.m. – 5:00 p.m.
